Dear Indiana Department of Education

April 9, 2016

William Capehart has successfully completed his Year Two IMAP requirements. He is now eligible to apply for his five year Proficient Practitioner license. Mr. Capehart is aware that this letter should be included with his application documents.

We have placed the original completed assessment tool in Mr. Capehart's file and Mr. Capehart was also given a copy of his completed assessment for his records.

If there should be any questions, please feel free to contact me at 219-866-4661.

Sincerely,

Greg Michael  
Assistant Principal  
Rensselaer Central Middle School
